DISTRICT ROTARACT REPRESENTATIVE

Dear Game Changer President
Rtr. Sunhik,

It was amidst the difficult times of pandemic when the Rotaract Club of RCCIIT was actually re-born. The saying is that if a child grows in hard times, he tends to be a strong person with a heart which beats for others. I think my Team RCCIIT has proven its worth and is committed to be the change to serve to change lives.

This year I would like to look up to Team RCCIIT to be a Team of Game Changers so that we can serve and reform lives. I am sure that the amount of service you all will execute, will surely leave behind a mark.

Before departing I would not like to miss the opportunity to remind you that each one of your Club is a DRR for me and as I am a part of your Team never hesitate to come up and let me anything which you feel should be told to me. Remember, #WeAreDRR.

Have a wonderful Rota Year ahead.
May Rotaract remain for Rotaractors.
Let's be the change to serve and reform lives.
Yours in Rotary-Rotaract & Beyond,

Dear Rotaractors,

It is of great honour that I have received this opportunity to serve as the Secretary (Events) of Rotaract Club of RCCIIT for the Rota Year 2021-22. I hope I can fulfill my responsibilities with utmost integrity.

The pandemic is not over yet but even then it did not stop us from achieving some remarkable milestones. We did offline events like 'Hathe Khori' and 'Kamakhya'. We did club service projects like 'Swadesh' and also professional development events on Graphic Designing and Content Writing. Not to mention another very important event was 'Upkaar' which promoted covid schemes for families who lost their loved ones.

All the above was possible because of the sheer hard work and dedication of my teammates. We hope we will have a very productive year ahead and serve our community as we stand united as a team.

Rtr. ROOPSA SARKAR

This year, I'm blessed to be a part of a supportive team. We started the Rota-Year with a vision along with a zeal for reaching new heights. I believe that with everyone's support and under the presidentship of Rtr. Sunhik Pramanik, we would be able to reach our goals and manifest change.

*IMMEDIATE PAST PRESIDENT,

My Fellow Rotaractors,

Remember the dialogue from the famous movie WALL-E that we loved as kids?

"I don't want to survive. I want to live!" That's my motivation.

It's an immense honor to assist the club as the Editor for the Board of 2021-22 and I'm pleased to bring out our first bimonthly Club Bulletin for this Rota Year.

Ever since the board formed, we have organized numerous events, made invaluable connections, and collaborated with clubs, even international.

We organized events Connexion 2.0, Swadesh, and Hathe Kori, all with the shared idea to promote harmony and uplift our community. We have also taken a new focus towards skill development and organized workshops on graphic design and content creation.

Another notable initiative was Upkaar, where we aimed to educate the people affected by the pandemic about government schemes and help them. We also were a part of two zonal events-Vriksharopan and Kamakkhya.

On a final note, I'd like to thank our dedicated President Rtr. Sunhik Pranamik and the entire team of Rotaract Club of RCCIIT in the creation of this edition and wishing the team very best for organizing a collection of successful events ahead.

The future is now, create it and seize it!

Yours-In-Rotaract,
